

We're not totally done discussing the pumping lemma in class. We're going to do a bit more on Monday. But please make an attempt at these problems before then. If the pumping lemma is bewildering to you, have hope! It just takes practice. :)

- A. Do Exercise 1.29b (about “ www ”).
- B. Do Problem 1.35 (about “bottom is reverse of top”).
- C. Do Problem 1.53 (about “ADD”).
